

Dear ...,

We are pleased to inform you that your submission " ... " has been accepted as an oral presentation.

Your talk is scheduled within a session entitled ' ... '. Program details will be communicated to you shortly. The length of your presentation should be no more than 15 minutes; a question and answer period of 5 minutes will follow.

Please prepare easy-to-follow visual aids, for instance a graphical presentation using Power Point (.ppt) or similar presentation software. This will help non-native English speakers in understanding your presentation.

At the meeting site, the following equipment will be available:

Microphone and podium
Computer -- PC with Microsoft software
Digital video projector
Slide projector
Overhead projector
Laser pointer

IUCAA staff will be on hand to set up the equipment and provide some assistance to those speakers who bring their own computers.

The abstract you submitted will be used for inclusion in the program booklet that participants will receive upon registration. If you would like to send a revised version, please do so before

December 15, 2009

Manuscripts of oral presentations will be published in the LISA VI proceedings. Authors will be informed about further details in due course.

In case you need a formal invitation for visa or other purposes, please let us know.

Please confirm by return email that you will be able to join us at LISA VI in Pune, India.

We are looking forward to meeting you next February!
