

What Makes a Good Powerpoint Presentation?

To score a presentation, the teacher will assess each criterion below as Poor, Good, or Excellent. Then the teacher will assign each Poor rating 0 points, each Good 1 point, and each Excellent 2 points.

Title of Powerpoint Presentation assessed: _____

Criteria	Description	SCORE
Format is Well Organized.	Site's structure makes sense and it is easily navigated. Multi-pages exhibit consistency.	
Format is Aesthetically Pleasing	The page demonstrates an attractive use of graphics, color, and page layout. Background coordinates with text colors and graphics. Animation (if any) is justifiable. Graphics add meaning and are not decoration.	
Content is Reliable.	Information is accurate, complete, and current.	
Content is Useful	Content is meaningful and important. Contact information is included.	
Content is Rich	Information is interesting and likely to be revisited.
