

Cafeterias, bakeries and restaurants

There is a number of restaurants and small places to eat around the ESO office. There is a variety of prices to choose from: rather expensive along Alonso de Cordova with a few exceptions and others more affordable along Vitacura Avenue. The most economic would be a takeout food from **Le Fournil** (-2-) and **the Jumbo supermarket** (-3- indicated by the yellow hand).

ESO OFFICE

Alonso de Córdova.3107

Plaza Lo Castillo

Paseo El Maipo
Le Fournil
